REPORT OF THE TREASON CASES.

REPORT OF THE TREASON CASES.

The subscribers propose publishing verbatim reports of the highly important treason cases now being tried in this city. Thee rep rts are prepared by Messra. Cannon and Dairymple who are the aworn phonographic reporters appointed by the Government especially for these cases, under the immediate supervision of James J. Robbins, Eng., of the Philadelphia bar. They will be published in a handsomely printed volume. The reporters being experienced phonographers, the public may rest assured that every word uttered by court, counsel, or witnesses, will be faithfully and accurately reported. As this is the only report of fless cases published under the immediate sanction of the court, it is apparent that its fidelity is indispinable. The price of the book will be One Dollar, and persons remitting that saim will receive the work, free of postage, immediately upon the completion of the trials. As the publishers anticipate a a very extended sale, those whose orders are in early will be the first served.

ENG & BARRD, Publishers.

OFFICE FOR PATENTS, WASHINGTON, D. C.

OFFICE FOR PATENTS, WASHINGTON, D. C. Z. C. ROBBINS, Solicitor of Patents, will prepare the necessary Drawings and Papers for applicants for patents and transact all other business in the line of his profession at the Patent Office. He can be consulted on all questions relating to the patent laws and decisions in the United States or Europe. He will procure re hearings on rejected applications for patents, prepare new papers, and obtain patents in all cases where there is any novelty. Persons at a distance, desirous of having examinations made at the Patent Office, prior to making application for a patent, may forward (post paid, enclosing a fee of five dol'ars) a clear statement of their osse when immediate attention will be given to it, and all the information that could be obtained by a visit of the applicant in person, relating to the novelty of their invention and the requisite steps to be taken to obtain a patent therefor (should it prove to be new.) will be promptly forwarded to them by mail tly forwarded to them by mail letters on business must be post paid, and enclose quitable fee where a written opinion is rec Office on F street, opposite the Patent Office.

He has the honor of referring, by permission to Hon. Hellsworth and Hon. Edward Burke, late Commissioner

of Patents, and to those for whom he has transacted bus ness during the past seven years. Oct 23. SOLDIERS' CLAIMS.

I AM still engaged in the prosecution of claims against the Government. Such of the soldiers of the Mexican war, or their heirs, as have filed claims to bounty land, and had then suspended or rejected, or who have not applied, will do well to open a correspondence with me, as I can obtain their land in a most every instance. There are about 15 (40 such claims on file in the Pension Office, nearly every one of which I can have allowed if authorised to act for the claimant. "A word to the wise is sufficient."

127 Suspended claims under act of September 25, 1800, also successfully prosecuted, and no fee will be charged in any case unless land is produced. Address Sept. 25.

A. M. GANGEWER, Washington, D. C. SOLDIERS' CLAIMS.

FARM NEAR WASHINGTON FOR SALE.

The subscriber offers for sale his Farm, situated about five miles from Washington, in Frince George's county, Maryiand. It contains 178 12 acres, above 30:6 which is a fine alluvial meedow, producing at present a tim and a half of hay to the acre, but which under improved cultivation would produce at least two tons. Hay so is in the Washington market at from \$215 to \$20 per ton. About four acres of the place is a marsh overed with several feet in thickness of black earth, the result of decayed vegetation, which, properly composted, in a source from which the upland may be suriched at a reasonable cost. About 60 acres of woodland—growth principally sak and cheatmat. The land, except the meadow, is unfulating, and has many presty site for building. There are many aprings of excellent water on the place, and it is noted for its healthfulness. The soit of the greater part is a sandy loam, undertaid by clay—in some places, clay predominating. About 50 acres could be divided into amail gardening farms, giving nearly an equal quantity of wood and arabic land to each. There is an orchard of 150 peach trees and 60 apple trees on the place, all bearing; also, peach trees and 60 apple trees on the place, all bearing; also, peach trees and 60 apple trees on the place, all bearing; also, peach trees and 60 apple trees on the place, all bearing; also, peach trees and 60 apple trees on the place, all bearing; also, peach trees and 60 apple trees on the place, all bearing; also, addition of three rooms, a meat house of our rooms, with a frame The buildings are—a log house of four rooms, with a frame the buildings are—a log house of four rooms, with a frame the different addition of three rooms, a meat house of water running carriage house, &c.
